

Work Opportunity Tax Credit Fast Facts

All you need to know about the Work Opportunity Tax Credit, as fast as possible.

Who We Are

1

We are Arvo and we're based out of Columbus, Ohio. We are a leading technology platform that helps businesses unlock the full value of Federal and state employment tax credit programs.

What We Do

2

Passionately led by tax experts with over a century of combined experience, our technology has helped clients in all 50 states receive over **\$575MM+** in employment based tax credits.

How We Help

3

Our technology has helped clients find tax credit savings of **\$2,150** per eligible hire and improve their cash flow by 40% through the Work Opportunity Tax Credit (**WOTC**).

The Arvo Difference

4

Backed by technology and fantastic client service, we collaborate with companies to help them understand their qualifications for leveraging programs that impact hiring decisions and their bottom line.

Our Experience

5

Founded in 2013, Arvo customers benefit from experts with a collective **150+** years of tax experience who are dedicated to helping clients improve the economics of their business.

Our Mission

6

Arvo believes in the power of employment tax credits for improving business finance as well as helping communities across the United States find jobs and stay employed.
