# Work Opportunity Tax Credit (WOTC) for Trucking Companies

Arvo generated over \$100K+ in WOTC for a large trucking company.

## **About Arvo**

# **Opportunity**

New to WOTC?

Like many businesses of all sizes, this trucking company had never heard of WOTC. As they generate over \$150M and hire over 600 employees annually, they easily saw the transformative power of WOTC after talking to us.

The trucking company overlooked WOTC for two main reasons:

- 1. Over-reliance on CPA to handle all tax needs.
- 2. Failure from IRS to market important tax programs.

### **Action**

WOTC implemented through onboarding.

Arvo implemented three custom solutions to get the trucking company started with WOTC:

- 1. A one-minute electronic WOTC form for new job applicants.
- **2.** Seamless screening integration with Tenstreet, the company's applicant tracking solution (ATS) provider.
- **3.** A reporting system to identify additional actions to optimize WOTC going forward.

### **Results**

\$100k+ credit generated in first year!

The trucking company received \$114,400 in WOTC credits after implementing Arvo's strategy and optimizing processes in response to custom reports.
